# "millions now living will never die"

—Judge Rutherford

In a Free Lecture in Poli's Theatre next Sunday afternoon it will be conclusively proven by many Biblical prophecies which have been fulfilled during the past four years, and from many others still in course of fulfillment, that thousands now living in this city will never die.

"In this instance do not deceive yourself into believing that 'where ignorance is bliss 'tis folly to be wise,' because life everlasting on this earth as a perfect human being will depend upon the individual knowledge and understanding of, and acquiescence in, the rules of conduct that are to govern the world in its reconstruction now in progress and ever after."

In a startling and comforting lecture, "Millions Now Living Will Never Die," Judge Rutherford offers a reasonable and satisfying solution of the many questions raised by the conflicting claims of orthodox creeds, Sir Oliver Lodge, Sir Conan Doyle, Christian Science practitioners and the various faith healing sects. No matter what your present ideas on this great question may be, you should hear

His investigations and research also included the present condition of Palestine and the rest of the Eastern Empire, the cause, and what may be conclusively expected to result there in the next few years.

Judge Rutherford has returned with a host of fascinating information on the subject which greatly enlightens his audience, but the world has added to that the people now living on earth will be given an opportunity for the revelation of the truth in a mass of lectures, one of which is given, during the hour of the new order, will occur here. During his lecture Judge Rutherford will mention the 144,000 mentioned in the Book of Revelation, which were called to his service, and more than 14,000 who lived here.

### TALKING WITH THE DEAD

Can the Living Talk with the Dead?  
Statement by Judge Rutherford

It is the general belief of the world that the dead are in a state of unconsciousness, and that they are unable to communicate with the living. Judge Rutherford, however, maintains that the dead are conscious and that they are able to communicate with the living. He states that he has received many communications from the dead, and that these communications have been of a nature which has caused him to question the general belief of the world. He states that he has received communications from the dead of all nations and of all ages, and that these communications have been of a nature which has caused him to question the general belief of the world. He states that he has received communications from the dead of all nations and of all ages, and that these communications have been of a nature which has caused him to question the general belief of the world.

### Judge Rutherford

famously known in all capital cities of Europe

During the past few years Judge Rutherford has lectured in nearly every large city in Europe and America on "Where are the Dead?" and his lectures on "Millions Now Living Will Never Die" and "Talking With the Dead" are inspirations of that nature made possible and necessary by the fulfillment of certain prophecies during and since his war, and of convocations of conflicts in the many nations believed by the Christian community to be the world war and subsequent of the world.

"I want the statement, 'Millions Now Living Will Never Die,' to be taken literally, as it is, in the light of recently fulfilled prophecy, a provable Biblical proposition."

—J. F. Rutherford

The terrible world and subsequent epidemic of 1918-1919, the present influenza crisis, and the recent passing of a national law ban on the Jews, were all clearly marked out in the same prophecy which distinctly declares when the dead shall come, and that millions now living will never die. This long awaited day is not fifty, seventy-five or more years hence, but it is here.

We all could easily believe this statement or declaration if the time were announced to begin say 200 or 300 years future, but to apply it to ourselves requires positive knowledge based upon infallible authority. Thousands of professed Bible scholars are moved from Bible prophecies which have been fulfilled during the past few years that those living until the year 1923 can live forever if they choose to do so. All such will live in human bodies on this earth, and will be ruled by the rulers as new human bodies of their departed loved ones and live and enjoy the blessings of the Lord throughout the ages to come.

All interested and desiring to hear and consider definite Scripture proof for this proclamation are cordially invited to attend the free lecture by:

—Judge Rutherford

Because of unprecedented interest manifested in the rapid fulfillment of Biblical Prophecies, and the many requests for a return date for this lecture, Judge Rutherford, has granted Columbus another dating and will deliver this remarkable lecture in MEMORIAL HALL, COLUMBUS OHIO, SUNDAY AFTERNOON. Since speaking there January 4th, Mr. Rutherford has delivered this lecture to overflowing audiences at New York Hippodrome, Boston Theater, Chicago Auditorium and elsewhere. and return dates urgently sought everywhere. Every family is involved and many thousands are rejoicing because of this comforting Biblical message of the hour.

In this lecture, it will be conclusively proven to everyone willing to accept Bible testimony, by important prophecies which have been fulfilled during the past four years, and from many others still in course of fulfillment, that hundreds of thousands now living in this vicinity will never die. Many thousands of advanced Bible scholars within the past few months have endorsed this proclamation and it surely is worthy of general and personal investigation.

THE WORLD HAS ENDED and the promised and long looked for day of reconstruction and refreshing is here and soon will be made manifest to all. In "Millions Now Living Will Never Die" Judge Rutherford offers a reasonable and satisfying solution of the many questions raised by the conflicting claims of orthodox creeds, Sir Oliver Lodge, Sir Conan Doyle, Christian Science practitioners and the various faith-healing sects. No matter what your present ideas may be on the questions of life and death, communication with spirits, now and hereafter, you should hear

#### Quija Boards Blamed for Ills of Students

ANN ARBOR (Mich.), January 29.—"Quija boards are becoming so plentiful in the last years and so-called 'mediums' are the cause of 'supernatural' 'illnesses' in the minds of college boys and more frequently 'women.' Several members of the faculty of the University of Michigan, expressing an interest in the fact that so many young women in this class had been obliged to leave school and place themselves in the hands of some 'medium' because of 'nervous troubles' in the quija boards.

Dr. W. C. French, head of the university health bureau, admitted that there had been a great influx of nervous patients at the university hospital during the past few years. He said that the cause of these troubles was the use of quija boards and other 'mediums' which had been used by the students. He said that the cause of these troubles was the use of quija boards and other 'mediums' which had been used by the students. He said that the cause of these troubles was the use of quija boards and other 'mediums' which had been used by the students.

If the above warning is correct, then it is further proof that the entire population of the earth is menaced by men's hands and the supernatural. This is the case since the day of knowledge. The people should have the entire world in the subject, and that is why only people is speaking on it.

J. F. RUTHERFORD.

#### JUDGE RUTHERFORD FAVORABLY KNOWN IN ALL CAPITAL CITIES OF EUROPE

During the past ten years Judge Rutherford has lectured in nearly every large city in Europe and America on "Where Are the Dead?" His lecture on "Millions Now Living Will Never Die" and "Talking With the Dead" are particularly of great interest, and have been the cause of many conversions. His lectures are particularly of great interest, and have been the cause of many conversions. His lectures are particularly of great interest, and have been the cause of many conversions.

#### TALKING WITH THE DEAD

Can the Living Talk with the Dead? Statement by Judge Rutherford

Can the living talk with the dead? Sir Conan Doyle, his colleagues, many distinguished theologians and others, answer No. The twenty-four prophets of the Lord Jesus and the twelve Apostles, according to the sacred testimony of both the Bible, never communicated.

Dr. Conan Doyle and his colleagues say the soul is immortal—does not die. Hence the dead are able to communicate with the living. Surely that is the same thing and more and more in a line and that by statement was the beginning of the end. (John 11:17.) "Satan is the father of the lie; and though from where else can he get the printing, 'Who can you talk to?'"

Sir Conan Doyle and his colleagues claim that their belief, which is the same as the belief of the majority of the world, is that the soul is immortal, and that there remains some unseen power. This we do not dispute. The Bible explains that this power is not retained by the spirit of dead men, but by demons—fallen angels, or evil spirits—in the invisible world. It is this power which is retained in the darkness and the death. (See 2 Peter 2:4; 1 Peter 3:18-20; Jude 6.) These demons have exercised their power since the time of the dead and the period since through the instrumentality of mediums. The day of their judgment is now here; hence they exercise greater power and the Bible prophesies of a resurrection would be all done in carrying out his first law—"There is no death."

Dr. Conan Doyle and many distinguished theologians have been and are being deceived by his statement, because they believe and teach the doctrine of immortality of the soul, which is supported by nothing except Satan's influence. (Genesis 3:1.) Immortality is reserved to a special class, even such as (1 Corinthians 15:51-53.) The dead are resurrected; they rise, not anywhere, they cannot live, and, that, speak to all people's attention. (See Psalm 137:1-6; 140:4; Ecclesiastes 9: 5, 10.) This being so, it would be impossible for them to communicate with the living.

Mediums is more phibly taught in the Scriptures than the immortality of the dead—and it is the same all the world should be advanced and given a trial. Such a prophecy disproves that the dead are conscious and are able to communicate with the living, because the resurrection of the dead has not yet come.

These so-called communications from the dead are in no wise beneficial to the living. On the contrary, they are often sinful and will lead men into sin. Great numbers of men are being misled by the influence of these demons. Satan and the other demons are thus holding and leading mankind in order to turn their minds away from the great Resurrection God has in store for them.

This so-called power of communicating with the dead is nothing but demonic, or spiritism and is a menace to the welfare of mankind. It is the greatest enemy of which we have in our new book, "Talking With the Dead." J. F. RUTHERFORD.

### CONFESES BRUTAL MURDER OF SIX-YEAR-OLD GIRL

Philadelphia And Bucks Co Fight For Legal Possession Of Slayer

PHILADELPHIA, Pa., Feb. 27.—With the finding of the body of six-year-old Lillian Gilmore early last night in the icy waters of Neesham creek, near Crofton, Pa., a legal battle today developed between Philadelphia and Bucks counties for possession of Wylie E. Morgan, 23, the confessed slayer of the child.

Lillian's body was recovered in other dramatic circumstances. Late yesterday Morgan, under a constant fire of questions, showed signs of abandoning his attitude of stolid indifference. Four-year-old Dorothy Gilmore, sister of the dead child, who was also in Morgan's motor car on the fatal trip Saturday, was brought into his cell in an effort to break him. Finally he nonchalantly remarked to a police sergeant: "Well, here goes; the worst I can get is the electric chair."

### SAYS—NOW STIFF JOINTS MUST GO!

### New Discovery Limbers 'Em Up and Even the Creaking Ceases

Yes; it's true—the world progresses. All you have to do nowadays to limber up that stiff knee joint is to squeeze a half inch of miracle working substance from a tube.

Then rub it on the offending part for about a quarter of a minute or until it soaks through the skin and disappears on its errand of mercy.

Then read the evening newspaper and go to bed. The chances are that your misbehaving knee joint will lose its "creak" while you are dreaming about the big fortune you used to leap when you were a youngster.

And if the morning, says one who has tried the new discovery, "you'll feel so happy that you'll want to jump into your sport-clothes and walk briskly down the street just to show the neighbors that you are not as old as they think you are."

It's a good name for a good, clean, staineless prescription that in just a few months has proven to a multitude of people that lame, swollen, distorted joints can speedily be made like the joints of a new man and work as smoothly as ever.

But Joint Ease is for both men and women, whether in knee, neck, hip, shoulder, spine or finger, and for that purpose its sale is immense.

Wimmer Arndt, sole U. S. supply of it and druggists everywhere report a big demand.

### HERE ARE FACTS OF VALUE IN FRAMING INCOME TAX RETURN

Within certain limitations interest and taxes paid during the taxable year may be deducted from gross income. Such items include interest upon a personal loan and taxes on a dwelling, as well as interest on business debts and taxes upon business property. The Federal income tax, however, may not be deducted, nor may there be included any special assessments for local benefits tending to improve the value of the property, such as paving or street cleaning, since they are, in fact, the cost of a permanent improvement.

Obligations of the United States issued prior to September 2, 1917, are wholly exempt from the Federal income tax. Hence interest, paid or accrued on interest-bearing, or continued to purchase or pay on such obligations, is not an allowable deduction from gross income.

Personal indebtedness includes debt for money borrowed to defray personal, except clothing, food, etc.—but also money borrowed for the purchase of real estate. If a person owes money secured by a lien or mortgage on his home, the amount of interest paid on such indebtedness may be deducted. Moreover, interest paid by the taxpayer on a mortgage upon real estate of which he is the legal or equitable owner, even though the taxpayer is not directly liable upon the bond or note secured by such mortgage, may be deducted as interest on his indebtedness.

### JERSEY MAN BUYS "HAREM" FOR \$100

NEW YORK, Feb. 28.—Frank Menassa, twenty-five years old, of Honesdale, N. J., is looking for a stranger from whom he bought a harem of six pretty girls and for which he paid \$100 in cash.

Frank was seated in a trolley car at Hoboken when a nice-looking stranger spoke to him and called his attention to two pretty girls whom he said were part of his harem. He had four more at an address at No. 45 Hill street, Honesdale, he explained, and that he was forced to leave them because he was called away on a trip to the West.

Would Frank buy them? Frank would and did. He handed over \$100. As he did so he noticed that the girls were looking at him as he was leaving the car. The stranger assured him that they were not running away; that they were simply timid because they had not their suit behind. Frank believed and acquiesced in his purchase until he tried to find No. 45 Hill street. There was no house within sight.

Frank now believes he was flim-flamed.

# "Millions Now Living will Never Die"

-- Judge Rutherford

M. A. HOWLETT  
 TORONTO

In a free lecture at the Armory, corner Olney Ave. and Church St., Monday night at 7:30 o'clock, it will be conclusively proved by many Biblical prophecies, which have been fulfilled during the past four years, and from many others still in course of fulfillment, that thousands now living in Mexico and vicinity will never die.

Every Bible scholar is aware, whether it is now or one hundred years hence, that mankind will sometime arrive at the end of Satan's reign, when everlasting life on this earth can be his blessed portion, instead of death and the tomb, as has been the case under Satan's six thousand years of evil domination and delusion.

The prophecies alluded in these prophecies indicating when such events as have distressed mankind during the past few years, and the opportunity for profiting at all its phases forever ends.

The purpose of this free lecture is to furnish every inquirer with positive Biblical proof and secular evidence, based on prophecies fulfilled during the past five years that we will within the next few years enter this long hoped for period, when families will be reunited and live happily on earth ever after.

The divine law is inexorable and every inspired revelation of the divine purpose respecting the affairs of the old world, over which Jehovah, for a special purpose, tolerated Satan in rule, has been fulfilled exactly on time, and the time for the vindiction of Satan is at hand.

If you are interested in this vital subject and desire proof of the proclamation that millions now living will never die, you are cordially invited to hear

"For there shall be great tribulation, such as has not been since the beginning of the world until now (1914-1925), no nor ever shall be, and except those days be shortened, no flesh would be saved; but for the elect's sake those days will be shortened," and millions now living will never die.

Hear the evidence, then judge and rejoice.

TURN THAT VACANT ROOM INTO MONEY—ADVERTISE

IT'S THE FASHION NOWDAYS to "advise" the farmer. The less a man knows about farming problems the more capable he thinks himself of solving them.

There are times, however, when a farmer needs reliable information.

At such times, at all times, in fact—the facilities of this bank are at the disposal of our farmer-friends.

"World's Judgment Day At Hand"  
"Millions Now Living Will Never Die."—Judge Rutherford.

This evil world (the unrighteous order of rulership) is rapidly passing away, and is now actually in the throes of its death struggle. The present clashing of selfish interests are only evidences of the vain endeavors of the old evil world to perpetuate itself in its old iniquitous way.

The old world's greatest statesman, regardless of their denominational doctrines, when Jews or Gentiles, recognize and admit that the old order has been cast off, and that radical reconstruction is necessary if there is to be peace and safety in the future. Thousands of independent Bible scholars are convinced by prophecies fulfilled that the old world ended just on "May, 1914, and that the "new heavens and a new earth," the "times of refreshing," are just at hand.

If you are interested in this vital subject and why millions now living will never die, you are cordially invited to hear

C. W. ZAHNOW, of Warren, Ohio,  
At the STAR Theatre, Sunday Afternoon, April 17th  
at 3:00 o'clock

"For there shall be great tribulations: such as has not been since the beginning of the world until now (1914-1920) nor yet shall ever be, and except those days be shortened, no flesh would be saved; but for the elect's sake those days will be shortened," and millions now living will never die.

HEAR the evidence, then judge and realize:  
"I want the statements 'millions now living will never die' to be taken literally as a result of the light of fulfilled prophecies."  
—Judge Rutherford.

"millions now living will never die" - Judge Rutherford

There is special significance in the troubled days through which the world has passed since 1914.

God's purpose in giving man a revelation of His plan was that mankind should see the standard 32, and appreciate the principles it sets forth.

An understanding of the Bible lends one's view and inspires cheerfulness and optimism.

# CIVILIZATION DOOMED

*but--"millions now living will never die!"*

Oakland Municipal Auditorium, 3 P.M. Sunday, February 15

**I**N A FREE LECTURE at the Oakland Municipal Auditorium, Sunday, Feb. 15, Judge Rutherford will tell the people why the greatest crisis of the ages is upon the world; why all nations are mustering their forces for the greatest conflict of all times, as foretold by the prophets of God, how that great trouble will be cut short by the Lord, and why millions now living will never die.

## Some of the Great Statesmen of the World Say:

"Civilization is doomed within this generation to a catastrophe such as the world has never known."—Lloyd George.

"The United States is preparing for war that would tax us to the utmost in manpower resources."—Secretary of War Weeks.

"The war has revealed that our civilization is pagan."—Dr. Bernard I. Bell.

"We have come to the crossroads and no one knows the way out."—H. G. Wells.

"I think it is certain that if there be another such war civilization will never recover from it."—Viscount Grey.

"The future is very dark. We have reached the twilight of civilization."—Dr. H. L. Brailsford.

**J**UDGE RUTHERFORD says: "After centuries of laborious effort to better conditions, man's civilization is nearing complete collapse. Selfishness has gone to seed and the harvest of destruction has begun. All nations are in distress and perplexity.

"WAR has bankrupted Europe and demoralized America, yet the nations go feverishly on preparing for more war. Modern science and education have made war more diabolical and fiendish than in the days of barbarism. The modern clergy have abandoned God, the Bible, and the Prince of Peace, and sanctify war.

"CORRUPTION and official lawlessness are brazenly manifested in all nations. Profiteers, conscienceless politicians and un-

faithful clergy are in an alliance to rule the world by an unholy and vicious League of Nations. The people are fleeced, robbed and oppressed. Millions are out of employment. They have lost confidence in their leaders, and are rapidly turning to Bolshevism, radicalism and anarchy.

"DISASTER stalks abroad and all nations are rushing madly to the greatest time of trouble the world has ever known.

"HOPE for the people lies in the kingdom of God now at hand. Millions are now living who will see that kingdom in operation and if obedient to its righteous laws will never die, but will live on earth forever in happiness, peace and prosperity. The world's darkest hour is just before its greatest blessing."

A FRIEND OF THE PEOPLE

President of the International Bible Students' Association and Peoples' Pulpit Association, Religious Organizations Saving the People Without Money and Without Price

International Bible Students' Association, Room 403, Pacific Bldg., 16th and Jefferson Sts., Oakland, California.

Gentlemen: Please forward The Harp Bible Study Course. I enclose payment in full, 48c.

REALIZING the need of an exposition of the Bible uncolored by creedal interpretations, Judge Rutherford has written a book, "The Hour of God." In this book Judge Rutherford, with the scrutiny of an expert traffic-surveyor, pursues an inquiry that spares no time-honored or much-reverenced opinions not founded on the Bible.

As an additional service, a course has been arranged, allowing an hour's reading weekly. Self-quiz cards suggest questions as formed as to test the harmony of the Bible.

The Harp Bible Study Course complete, 48c.

**Great Throngs Have Heard**  
the heart-cheering message of Judge Rutherford during the past few months in Europe and America. Three times Royal Albert Hall, London, the greatest hall in Europe, was packed out and thousands turned away. At Magdeburg, Germany, 17,000 came. At Tacoma, Washington, 25,000; at Los Angeles, 35,000. Judge Rutherford is the only man who alone has ever filled Madison Square Garden, New York City.
