# THIS FIGHT FOR FREEDOM

THE Theocracy has at all times been violently opposed by the Devil and his agents, visible and invisible. There has been a conflict between the two since the very beginning and always Jehovah has had his faithful servants on the earth who have been unafraid of the enemy and have carried the fight right into his camp. In Australia the religio-political combine made an attempt to hinder the Lord's work on January 17th, 1941 when the Society's various corporations, and Jehovah's witnesses, were declared unlawful in the Commonwealth. The Ambassadors of the Theocracy, however, did not take this lying down. In fact a more powerful witness than ever has been given, especially to the rulers.

Hereinafter follow some of the letters and telegrams that have passed between the Society's attorney in Australasia and various officials of the Commonwealth.

Representatives of the Sydney newspapers first advised the Society's office of the proposed "ban" on Thursday evening January 16th, 1941. Newspapers and radio stations blared forth the news bright and early on Friday morning, but the "ban" had not yet been gazetted and for the time being the authorities were powerless!

The Governor-General of Australia, Lord Gowrie, received the following letter at Canberra early

## THIS FIGHT FOR FREEDOM

on Saturday morning January 18th, 1941.

Your Excellency,

News has just reached me per medium of the press to the effect that the Menzies Government has declared Jehovah's witnesses an illegal organization. In a country which has ever been a bulwark of liberty this is surely most disquieting and as attorney for the Watch Tower Bible & Tract Society, Brooklyn, New York, I wish to enter a vigorous protest against such arbitrary action.

At the present time and for some weeks past several shipments of Bible helps have been held in bond by the Customs Department. These were printed in America and shipped here after the necessary licences had been approved at this end for their importation. The action of the Government in banning these must of necessity be considered an insult to the United States, especially since it cannot possibly be proven that they are subversive in any sense of the word.

I also have the privilege to be the attorney here for the International Bible Students Association, a London corporation closely allied with the Watch Tower Bible & Tract Society. In Britain, Jehovah's witnesses are, as you are no doubt aware, permitted to go about their business of preaching the gospel of God's Kingdom without hindrance.

In a report to the British Government in 1939, Sir Neville Henderson referred to the suffering of Jehovah's witnesses in Germany under the tyrannical hand of Hitler. This information was published in White Paper Germany (Number 2) 1939, "Treatment of German Nationals in Germany". Already these facts have been brought to the attention of the Federal Government. Does it not seem strange that Jehovah's witnesses in this country should be declared illegal and at the same time 6,000 of their brethren in Germany and many others in countries now oc-

## THIS FIGHT FOR FREEDOM

cupied by Germany, should suffer untold tortures in concentration camps, because they will not break their solemn covenant with Almighty God.

In my humble judgment it would have been much better if the Federal Government had waited till Mr. Menzies had visited Britain and ascertained the existing position as far as Jehovah's witnesses are concerned there. We are now faced with a nation divided against itself. In England the Government continues to regard the preaching of the gospel of God's Kingdom as of paramount importance. In this country responsible persons apparently take the view of Hitler, who was the first to ban Jehovah's witnesses.

His Majesty, King George VI, recently called upon his people to put their hand in the hand of God. Your Excellency and other leaders from time to time have used similar expressions, thus showing faith in the Almighty and absolute dependence upon Him for aid. Hence a witness to His supreme power.

Jehovah's witnesses are neither a sect nor a cult although the newspapers who are unfortunately controlled in the majority of cases by a foreign power have so referred to them. There is no desire on the part of Jehovah's witnesses to curry favour from any earthly potentate. It is a joy and privilege to continue to bear testimony to Christ's Kingdom now being set up which is the world's only hope. My purpose in sending this letter is that the responsible persons will choose, with knowledge, whether they are for or against God and His Kingdom.

Respectfully,

A. MacGillivray

On January 22nd, a letter over the signature of the Military and Official Secretary to the Governor-General was sent in reply:

## THIS FIGHT FOR FREEDOM

Dear Sir,

I am desired by the Governor-General to acknowledge receipt of your letter dated 17th January and to say that it has been referred for the consideration of the Commonwealth Government and reply direct, observing that the matter raised by you is one of Government policy.

Yours faithfully,  
(Sgd.) L. W. Bracegirdle  
Captain, R. A. N.

In view of the fact that no communication was received from the government on this vitally urgent matter, a telegram was despatched to His Excellency the Governor-General on January 30th as follows:

PLEASE CONVEY HIS MAJESTY KING GEORGE VI INFORMATION THAT NO LONGER IS IT PERMISSABLE TO CIRCULATE IN AUSTRALIA BIBLES PRINTED BY KINGS COMMAND OXFORD CAMBRIDGE UNIVERSITY PRESS OF WHICH LARGE CONSIGNMENT FROM WATCHTOWER SOCIETY URGENTLY REQUIRED IN BURMA ARE NOW HELD WHARF SYDNEY STOP AT SAME TIME CHRISTIAN HOMES RIFLED OF BIBLES STOP CHRISTIANS NO LONGER PERMITTED MEET BOOKS CONTAINING EXPOSURE HITLER AND ASSOCIATES FORBIDDEN AUSTRALIAN DISTRIBUTION.

Prompt reply was received:

AS THE SUBJECT MATTER OF YOUR TELEGRAM DATED THIRTIETH JANUARY IS ENTIRELY ONE OF GOVERNMENT POLICY IT HAS BEEN FORWARDED FOR THE CONSIDERATION

THIS FIGHT FOR FREEDOM  
OF THE COMMONWEALTH GOVERNMENT  
MILITARY & OFFICIAL SCTY

Apparently, however, the government had not considered the matter for they were as silent as the grave. Desiring urgent action, unencumbered by the usual red-tape delays, the Society's attorney again addressed the "head of the house," direct, February 6th:

This brought the following reply from the Governor-General, written on the same day:

Dear Sir,

I am desired by the Governor-General to acknowledge receipt of your telegram dated 6th February, in which the following appears: "Your Excellency's instructions not acted upon by Federal Government. . . ."

No instructions whatsoever were forwarded by the Governor-General to the Commonwealth Government in

connection with the matter under review. To do so would be in strict contravention of British constitutional practice. As previously stated the Government's actions, to which you refer, are based on a matter of Government policy, and I am to suggest that it would be quite fitting, if any further communication on the subject were addressed to the Prime Minister or Acting Prime Minister.

Yours faithfully,  
L. W. Bracegirdle  
Captain, R. A. N.

Meanwhile Christians had to endure the loss of their freedom in a country where freedom is—or was—a most jealously guarded heritage. It was no use dealing with the “lesser lights” so the Society's attorney sent a further urgent communication to the King's representative on February 9th. This telegram was later confirmed in writing:

Formal acknowledgment from Captain Bracegirdle, was duly received.

February 11th brought a letter from the Prime Minister's Department! It was carefully examined for helpful information, but without success. This is what it said:

Dear Sir,

I am directed to refer to your telegrams dated 30th January and 6th February addressed to His Excellency the Governor-General regarding the action recently taken by the Commonwealth Government in the interests of national security.

I am to state that the representations you have submitted in the above connection have been noted.

Yours faithfully,  
(Sgd.) F. Strahan  
Secretary.

**TIME MARCHES ON!** After a trip around Australia during which he visited Jehovah's witnesses in nearly every state, the Australian representative of the Society sent a further very-much-to-the-point telegram to His Excellency pointing out the sad state of affairs in this "land of the free and home of the brave". Here it is. It was sent on March 22nd:

No reply to this telegram was received by noon  
on April 3rd. Apparently it had been intercepted.  
A further wire, in which His Excellency was ad-  
vised of the Postal Section of Hitler's secret  
weapon in Australia, was despatched that after-  
noon:

## MEMORIAL

The celebration of the memorial of our Lord's  
death is sacred to all true Christians. The date

## THIS FIGHT FOR FREEDOM

set down for this celebration in 1941, in accordance with Scriptural reckoning, was after 6 p.m. April 11th and before 3 p.m. April 12th. Just because the Government had exceeded its authority and insulted the Most High by attempting to ban the Theocratic Government in Australia, that did not mean that His people would forego their obligations and privileges before Jehovah. On April 3rd the following telegram was sent to Hon. W. M. Hughes, Attorney General:

WE HAVE BEEN DENIED THE PRIVILEGE OF MEETING AT SEVEN BERESFORD ROAD STRATHFIELD FOR STUDY OF THE BIBLE STOP WOULD YOU APPROVE OF A BODY OF CHRISTIANS MEETING AT THE ABOVE ADDRESS ON THE ELEVENTH APRIL FOR THE PURPOSE OF CELEBRATING THE MEMORIAL OF THE LORD'S DEATH KINDLY ADVISE

MACGILLIVRAY

In due course a telegram from Mr. Hughes was received, to wit:

REPLYING TO YOUR TELEGRAM THIRD APRIL MY PERMISSION OR APPROVAL NOT NECESSARY FOR HOLDING OF ANY SERVICE OR MEETING FOR RELIGIOUS PURPOSES BUT FOR THE PURPOSE OF THESE APPLICATIONS YOU REPRESENT THE DISSOLVED ASSOCIATIONS AND AS PREVIOUSLY STATED I AM NOT ABLE TO FACILITATE ANY MEETINGS TO BE HELD UNDER THEIR AUSPICES

land, which is another story. However, to the Attorney General's rather complicated telegram the following reply was promptly sent:

8/4/41

MACGILLIVRAY

What happened at the Theocratic Embassy on April 12th at 2 p.m. is now history. 600 Christians assembled to worship and praise Almighty God and to celebrate in a befitting manner the memorial of the death of His Son, our Theocratic King.

## BIBLES

The Commonwealth Government may seize and unlawfully hold Bible text books by Judge Rutherford which expose as do no other publications, the machinations of Hitler, Stalin, Mussolini, Franco and Pacelli, but it has no business to lock up Bibles. Of such a dastardly crime, however, is it guilty. Christians throughout Australia desiring to go from place to place with the Bible, as commanded by Jesus have been unable so to do because their stocks have been locked away. Appreciating the urgency and importance of the whole situation, the Society's Australasian Attorney sent the following telegram to the Attorney General, Mr. Hughes on April 24th last:

MACGILLIVRAY

By May 9th, 1941 no reply had been received from Mr. Hughes regarding Bibles, not even an acknowledgment. A forceful reminder outlining the shameful course of action of the Commonwealth Government was sent forthwith:

MACGILLIVRAY

## THIS FIGHT FOR FREEDOM

It appears, however, that Mr. Hughes reply and the last-mentioned telegram crossed in transit. Herewith is the somewhat vague answer of the Attorney General to Mr. MacGillivray's enquiry for Bibles:

REFERENCE YOUR TELEGRAM DATED APRIL TWENTYFOURTH REGARDING CONSIGNMENT KING JAMES VERSION BIBLES STOP IF THESE BIBLES ARE CONSIGNED TO YOU PERSONALLY AND NOT TO YOU AS ATTORNEY OR REPRESENTATIVE OF ANY OF THE DISSOLVED ASSOCIATIONS THEN SO FAR AS THE COMMONWEALTH IS CONCERNED THERE IS NO OBJECTION TO THEIR DELIVERY SUBJECT TO COMPLIANCE WITH CUSTOMS AND OTHER STATUTORY REQUIREMENTS STOP BUT THE COMMONWEALTH WILL NOT BE PREPARED TO FACILITATE ANY MODE OF DELIVERY WHICH WOULD HAVE THE APPEARANCE OF RECOGNIZING THE CONTINUED EXISTENCE OF THE ASSOCIATIONS WHICH HAVE BEEN DISSOLVED

HUGHES

Without further comment, here is the reply Mr. Hughes received on May 12th. It is 200 words long and amazed the Postal Clerk who received it. The Attorney General's reply was merely an acknowledgment:

Mr. MacGillivray was still not sure whether, if he told London to send the Bibles, they would be delivered to him or left to rot in Bond along with £5,000 worth of Biblical text books which were stolen and locked up since November, 1940. Desiring further information another shot was fired and here it is. The date is May, 28th:

And so the battle goes on. The Theocracy having taken up the offensive is pushing forever onward. Soon the mighty Executive Officer of Jehovah will smite the enemy to the dust. The name and word of the Great Theocrat will be vindicated and his faithful servants avenged.

(To be continued!)
