## Overcoming Fear of What Is Coming on the Earth

ARE YOU one of that general run of humanity that is groping around in uncertainty, unsure as to the future of this earth and viewing it as unknowable and unpredictable? Are you one of those many millions that are in fear, seeing that something is about to come upon the earth and that, from its looks, it must be the worst yet? In a word, as you look ahead, not only into your personal future but into that of all the earth, are you afraid?

It was easy for a prominent politician to say, "The only thing we have to fear is fear." But he supplied nothing to allay man's fear. That political leader and his own party and the opposing political parties have all fallen victim to fear. Dumbarton Oaks Conference is one proof of it. They have been unable to sidestep the fulfillment of the prophecy, namely: "Upon the earth distress of nations, with perplexity; the sea and the waves roaring; men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken." Whoever said that must have been a true prophet; and he was. He was the greatest prophet ever on earth. He was the plain Messiah himself, Jesus Christ. And his words have been preserved for this day when they apply by the historian Luke, at chapter 21, verses 25 and 26 of his record. Luke presents the above-quoted words as part of Christ's prophecy on the "end of the world".

It is not because politicians and others really believe we have reached the end of the world that they are afraid. No more than those of old Noah's day took him seriously and believed that the end of the ancient world was near at hand. But, end of the world or not, all peoples now are uncertain and suspicious of the threatening future and are afraid. While facing what is inescapably coming, they are uneasy because of not being sure they have the solution for the

vast problems of the present and future. So many plans and remedies proposed for curing the world's ills and sufferings confront men; and there is such a conflict between these plans and remedies. One proponent condemns or suspects the other fellow's plans and remedies, while not altogether trusting his own. Everybody hopes against hope that man can somehow meet the situation, and meantime fear grows. It is driving mankind down the wrong road! Whether it is appreciated by men or not, this very world-wide condition of fear, of perplexity, of turmoil of the sea of humanity, and of distress of nations, is incontestable proof that we are at last at the end of the world.

### WHY NOT TO BE FEARFUL

But, you may argue, how does knowledge of that as a fact help me to overcome fear? From the religious point of view of the end of this world, it would seem to be a calamity of which to be afraid. Let a strange spectacle appear in the sky and an unreasonable rumor get around that it betokens the end of the world, and religious church-members are the first to grow panicky or highly alarmed and at once to go in for "more religion". Such is a fear due to ignorance, a fear due to lack of understanding because of being taught religion's unscriptural doctrines and traditions. The only antidote against the heart-failure from fear that grips the entire world is the knowledge and proper understanding of the sacred Bible. In that Book it is written: "God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." (2 Timothy 1:7) Getting acquainted with his Word helps to overcome fear.

Did those men who asked Christ Jesus for

advance information on the signs of the world's end ask him because they were afraid of its ending? No; but because they were eager for it to end. They knew what *this world* has been and is. They realized that its end and removal will lead to the greatest blessing that could come to this earth; for the destruction of this world makes way for a clean, healthy, righteous New World for men of good-will who love truth and righteousness. Those men knew nothing of religion's teaching that the end of this world means the burning up of our terrestrial globe to a cinder by literal fire. Religion, Catholic and Protestant, has misrepresented the Bible by teaching the destruction of the glorious sun, moon and stars, and the earth upon which we live. Jesus and his disciples knew from the Bible that "the earth abideth for ever". (Ecclesiastes 1:4) They read therein God's own words: "Thus saith the LORD that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited." (Isaiah 45:18) There are many more Bible statements to prove that, one glorious day not beyond reaching by those of this generation, this earth will everywhere be inhabited by decent people living in peace and happiness.

What religion has done is to bring contradiction into the Bible by frightening the people to think that the

Bible's symbolic statements about fire are literal. How foolish this is can be seen by trying to make it mean literal fire where the scripture (Hebrews 12:29) says: "Our God is a consuming fire." Fire is symbolic of complete destruction; and such "fire" the God of righteousness will bring upon this guilty world. But it is a fire you can live through.

Fears vanish when understanding comes in on what is the world that is doomed to an early end. When Peter wrote that the "world that then was" perished in the flood of Noah's day, he did not mean this earthly sphere passed away. When Jesus several times called Satan the Devil "the prince of this world", he did not mean this earth; for the Bible says that the day is near when "Jehovah shall be King over all the earth", and "the God of all the earth shall be called". (Zechariah 14:9, *Am. Stan. Ver.*; Isaiah 54:5, *Roth.*) The earth survived the end of that pre-flood world, and it will also outlast the end of this world. *World* means organization, and is made up of two general parts, a higher and hence superhuman part symbolically called "the heavens", and a human or earth-level part called "the earth". Both parts together go to make up a "world" in Bible speech.

The higher or invisible part of the world has ever been a bane to mankind, because those symbolical "heavens" are made up of man's worst enemies, namely, the wicked demons under their prince, Satan the Devil. The means those spirit powers have used to keep man away from God and his truth has been and is *religion*, with all its confusion and its terror-striking doctrines, of the world's end, fiery hell, "purgatory," etc. As the apostle Paul said by inspiration: "In later times some shall fall away from the faith, giving heed to seducing spirits and doctrines of demons, through the hypocrisy of men that speak lies."—1 Timothy 4:1, 2, *Am. Stan. Ver.*

The human or visible part of the world has failed to give right government and relief to mankind, because this symbolical earth has, knowingly or unknowingly, fallen under the malignant power of the demon "heavens". The history that this symbolic official "earth" has made for itself brings no credit to it; and the present earthly situation is simply the final outcome of its selfish policy under demon influence. Religion has always tried to drag the Lord God into responsibility for the terrible course of the symbolic earth. But the Lord God

Jehovah has no connection or alliance with this world and its "heavens" and "earth". The Son of God also has nothing to do with its mismanagement of man's interests, for Jesus Christ said to the Roman politician, Pontius Pilate, these words: "My kingdom is not of this world: if my kingdom were of this world, then would my servants fight, that I should not be delivered to the Jews: but now is my kingdom not from hence." (John 18:36) Hence "Christendom", a part of this world, is misnamed, by religious clergy.

## WORLD FREE OF FEAR

HE GRASP of the above simple facts of pure Scripture should free your heart from fear. Such Bible truths should fortify you against the terror that seizes religionists, politicians and commercial traffickers as they look anxiously ahead to the things they see coming upon this globe. Why? Because this world can now be seen to be not God's "world". The end of this world and its religion, politics and greedy commerce does not mean the combustion of this earthly globe in the flames of literal fire, with everybody except a few "heavenward-bound saints" perishing therein. Because this world has defamed God's name and crushed the honest, righteously disposed people long enough, Jehovah God will destroy its invisible demons and their visible official human servants with a destruction as clean-sweeping as by fire. Thereby will come at last to mankind deliverance from devilish oppression and death-dealing misgovernment. Such "end of the world" leaves our earthly sphere to exist and clears the way for God's world to be fully set up over the earth.

Whereas religionists, politicians and selfish merchandisers are in fear because they have everything to lose there when their operated world ends

### "THE KINGDOM IS AT HAND"

That title is from Christ's own astounding message. These words of His have a new meaning today; and the above-named book shows why, from both the Bible and world events.

Are you looking for a government that will for ever make humankind free from fear, from want, and even from death? Then read this 384-page book. Its fine make-up, with gold-stamped cover-design on wine-red binding, and pictures in color, comports with its lofty theme. Two indexes, one of all its important subjects and one of all scriptures, add to its high value. Yet the book is yours on but a contribution of 25c. It is mailed, postpaid, by

for ever, you have everything to gain by the bringing in of God's New World with all its blessings. The only requirement is that you now inform yourself regarding the wondrous purposes of God and put yourself on his side and begin living for his New World. Then "it may be ye shall be hid in the day of the LORD's anger" and live through this world's end into the New World. (See Zephaniah 2:1-3.) If you want that new world, it overcomes all fear that this present evil world might end. Indeed, such desire makes you rejoice that the signs of its end are plainly at hand.

You begin to appreciate now what a truly new world means, and why politics, religion and commerce together can never produce it. This new world means what the apostle Peter said. After describing how this present world and its symbolic heavens and earth will be wiped out as by fire, Peter adds: "Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness."—2 Peter 3:13.

The greatest blessing of God's New World will be its perfect righteous Government. That is what is meant by the "new heavens". It will be the heavenly kingdom of God's beloved Son Christ Jesus and of his 144,000 triumphant faithful followers. The "new earth" will be the visible organization which Jehovah God will establish on this terrestrial globe for the orderly, righteous, beneficial administration of mankind's affairs for their good and God's glory. This will begin with those who survive this world's end on earth. In process of time it will take in the billions who are in the graves and for whom Christ Jesus shed his blood of redemption. What a glorious Paradise this earthly ball will become during the New World, which will be a "world without end"!

By the above illustration it clearly appears how it is surely possible to overcome fear in this most fearful time of all human history. It is by a correct acquaintance with God's Holy Word, the Bible, and thereafter living in harmony with that courage-bringing knowledge. To assist you to gain such knowledge and freedom from fear, Jehovah's witnesses call from house to house with literature explaining God's purposes as set forth in his Bible. And to help persons of goodwill to make the best progress in grasping the Bible truths, they offer to make return visits and to conduct free Bible-study classes privately at your very own home or dwelling. "The truth shall make you free." (John 8:32) "Perfect love casteth out fear."—1 John 4:18.
