Raymond Franz is a former member of the Governing Body of Jehovah's Witnesses.

If you have not read his books, i highly recommend it.

He does not contradict or speak in opposition to scripture in any way!

In modern terms he is a whistleblower. And of course, those who are being exposed do not like it and try to discredit them.

**(Job 12:22)** He reveals deep things from the darkness,  
And he brings deep darkness into the light;
