Regarding Doublespeak. (a form of misinformation)

When we hear the official mention that it is up to each JW to make their own choice regarding whether to take a jab or not we naturally conclude that is real.

We remember the old saying....Actions speak louder than words.

For a JW to be able to make a choice they need to review the relevant information, such as:
(I am rattling these off the top of my head)

1/ Is it safe?

2/ Are there any side effects?

3/ Do I understand the consequences of each side effect and am I willing to consent to them all?

4/ Is there real danger as outlined by the GB?

5/ What percentage of the population died in 2020 before a jab was made available?

6/ How does that percentage of deaths compare with the statistics for the last 30 years?

7/ Am I in a high risk category since we are told there is a 99.7% survival rate.

8/ Do the holes in masks stop the bug moving either in or out?

9/ Will a jab prevent me from getting ill?

10/ Will a jab prevent me from spreading bugs?

11/ Will a jab make me immune?

12/ Will a jab guarantee my life will be saved?

13/ Are jabs still in experimental stage?

14/ What happened to animals who were given MRNA?

15/ Are there preventatives I can take instead of a jab?

- 16/ Are there effective early treatments I can take if I do get sick?
- 17/ How much more dangerous than the flu is the bug?
- 18/ Why are autopsies being discouraged?
- 19/ Why are care home patients being taken off food, fluids and regular meds and being put on end of life termination drugs cocktails?
- 20/ Can I trust the mainstream media?
- 21/ Can I trust the UN's stance on Misinformation?
- 22/ Can I trust health officials?
- 23/ Can I trust whistleblowers?
- 24/ Can I trust politicians?
- 25/ Which of the above subjects has my doctor researched?
- 26/ How will my body react to each one of the ingredients?
- 27/ Why was there toxic ingredients in 6 million doses which Japan rejected?
- 28/ Why are there so many side effects if it is safe and effective?
- 29/ Since the military are contracted to do the manufacturing should I trust this shot?
- 30/ Are the tests accurate?
- 31/ Are the tests safe?
- 32/ Do the tests produce false positives?

OK so if a JW is to make a choice with the implied informed consent then they must be permitted without pressure, malice, manipulation or negative labeling to investigate information so that they can give informed consent.

Each JW cannot make a personal choice if there is no choice permitted.

If you are a capable person you will not allow anyone prevent you from researching to your satisfaction.

Many JW's however are far more compliant.

When Gerrit paints a picture that anyone telling an alternative story to the jabs is

1/ fierce

2/ not open to any agreement

'This is not for Christians to examine', - then there is opposition to making a choice.

Follow the channel he claims Jehovah is using.

'Not like Naaman. Naaman bathed in the wrong waters. Follow the Channel Jehovah is using....DO YOU GET THE POINT?' he asks.

He used over 20 manipulations to demonize as UNCHRISTIAN behavior any examination of alternatives to the jabs.

Here we have classic Doublespeak.

On the face of it JW's can choose but they must not examine any other evidence except what is coming from this channel.

If you obey Gerrit and the Misinformation article then you have no choice but to trust them, get the jab and avoid informing yourself. There is no informed consent, and no choice unless you **disobey the advice Gerrit gives and **dismiss** the online misinformation article.**

The choice is not a choice. This is Doublespeak.

There would have been a choice if there was no opposition to researching.

And if there was no demonizing of alternatives as snake oil and no demonizing of information.

The channel replicated the UN's channel, and the Military's channel, as well as the global medical Cabal's channel. This channel was identical to that of the disgusting thing which causes destruction.

Plus we have clear direction to get vaccinated if at all possible.

'Listen to the Governing body for your wellbeing. We may tell you things which make no sense but obey.'

Plus, looking at anything else labeled MISINFORMATION.

Many obeyed and many died. The rest who obeyed are slowly getting sicker and sicker.

Was this obedience to the disgusting thing which causes desolation really the channel Jehovah was using?

Why was death dealing direction given rather than life saving direction.

Poor Iris obeyed and suffered a massive sinus venous cerebral clot.

This is a known side effect. Yet before the jabs it was a very, very rare occurrence!

I am deeply concerned at the whole scenario playing out.

These are some of my concerns:

A/ Removal of the right of appointed attorneys to direct the wishes of patients who test positive and are admitted to hospital.

B/ Doctors, virologists and immunologists alike explain that they never use a PCR as the first and foremost diagnostic tool..... the testing is very non specific and accompanied by massive numbers of false positives.....(a Coca Cola drink recently produced a positive result) The rule in, rule out method is examined as the first tool of diagnosis I am told... I can send a video but it needs linking...too big

C/ I read the book "Plague, Pestilence and the pursuit of power*" about two decades ago and listened to first hand testimonies of affected farmers in Cornwall....who had prize herds (generations of breeding) slaughtered even when they had wisely used independent vets who sent the samples to independent labs.....The negative result certificates did not stop the army culling the herds!!!!!!!!!! (Foot and Mouth) The political goal of the time was alignment with Europe , damaging UK agriculture to make us dependent on Europe for food.

D/ The use of FF.E;s in modern politics to influence the public False Flag Events.....For example in your profession 3368 High Rise Architects, Architects, Structural engineers and other engineers have signed a petition seeking transparency in the fall of Building 7 and the wider events of September 11th. ..<https://www.ae911truth.org/>

E/ The new laws dis-allowing any law suits against vaccine companies for damage of their product to human life

F/ The cessation of autopsies

G/ The manipulation of the mass media....Few journalists are asking sound questions...Peter Hitchens an exception

H/ A political opposition which has no backbone

I/ The Totalitarian dictatorship style of prime ministers and presidents

J/ The belief that masks effectively prevent transmission of viruses.....WE had antiterrorist training in the fire Dept and even with chemical terrorism...breathing apparatus had to be worn!!!

K/ The dichotomous psychological manipulation of the populace on so many scores not least of which are:

1/ Living, breathing, showing compassion like Christ are a danger to your fellow man

2/ One person out of every 942 UK residents has had their death attributed, this includes PCR'ing patients who have died of other major causes I am told

3/ The Japanese are not as diligent with distancing measures/masking up (if that worked) as one might imagine....yet only 1/40800 have died

4/ You will be locked down and financially ruined pretty much until most people have received an injection

L/ Trusting and projecting innocence upon serial liars and manipulators and searching for reasons to find them innocent I discovered was extremely unhealthy behavior and my therapist was La creme de la creme according to a top psychiatrist I chatted with.

<https://www.theguardian.com/commentisfree/2012/oct/10/boris-johnson-unfit-to-be-prime-minister>

M/ The death and damage to health which will result in early death due to delay for treatments we are being informed may be higher than the deaths attributed to Cov

N/ Why would one destroy millions of Jobs and the ability of families to eat and get good nutrition to save 1 person out of let's say 100....(its currently 1/942 if you believe the figures)

O/ If we are being manipulated and lied to and the real cause of deaths is not a transmittable virus what is the motive ????? An injection or two????

P/ If we are being manipulated then what is the purpose of the injections????? Could it sterilize us and cause cancer later on? After all it is untested on humans we are told.

Q/ Why were BED BLOCKERS with infections dumped in care homes in late March this year? Did their presence contribute to the deaths of the residents for which Boris blamed care workers????

R/ Whistle blowing doctors expressing that they were killing patients by adhering to ventilator guidelines for cov

S/ Lawyers preparing Nuremberg style trials for the events unfolding

T/ Christian nurse declaring the injections as MEDICAL SORCERY

V/ Do 5G military weapon grade radiation and certain untested flu and cov vaccines produce CYToKine Storm reactions in the lungs in certain individuals????
